

Fundraising in Lent

Virtual Pilgrimage to Walsingham

Unfortunately, we are unable to do our usual Lenten fundraising events this year. Instead, the children will be taking part in a 150mile virtual walk. Every class is going to walk a mile each day, as well as the cross-country event on Tuesday 16th March. We are not asking for sponsorship this year, but it would be wonderful if you could donate something that you already have in your cupboards to our food bank collection.

Here is how your child can get involved:

- Walk or cycle to school if you can.
- Join together with your class each day to complete the Active Mile
- On Tuesday come in your PE kit ready to take part in Cross Country
- Add up as a class how far everyone has walked each day.
- 1000 steps are approximately $\frac{1}{2}$ a mile – walk these around your home.
- Bring in a donation to the food bank but try to bring something in from your cupboards that you don't want (such as tinned food).
