# THANK YOU!

As we approach the half-term break, we would like to say a huge thank you for your support in following the systems and procedures we have put in place to keep all members of the school community safe. It is a challenging time for us all and by keeping to the correct start and finish times and following the one-way system on the school site you are helping us to keep routines as consistent as possible for the children. We are extremely proud of how well the children have coped with the adaptations we have made in school. They really are a credit to you all.
