

ST RICHARD'S VC ACADEMY

22nd February 2021

Dear Parents and Carers,

As you may be aware World Book day will be taking place on **Thursday 4th March 2021**. Due to remote learning, our usual World Book Day celebrations may look a little different this year. However, we would still love to celebrate as we value the importance of reading throughout St Richard's and don't want the children to miss out on such a fabulous day.

We would appreciate your involvement with your child's remote learning activities when possible and will be posting several activities on your child's Google Classroom for you to take part in. To make our celebrations fun your children will also be encouraged to dress up as their favourite characters for their Google Meet at 9:30am with their class, but we appreciate not everyone will want to do this.

Alongside this we will be hosting a 'Make your own scarecrow' competition. The aim of this competition is to make a family scarecrow based on your favourite book character and send pictures into school via Google Classroom. We think this will be an exciting opportunity for families to get out locally when doing their daily exercise ([following Government guidelines](#)) and have a walk through their community to see several of the scarecrows.

Please note for any children currently attending St Richard's key worker and vulnerable provision there will be the same opportunities and the above activities will be taking place in school within each bubble. These children are also welcome to come into school dressed as their favourite character.

We cannot wait to see all your children's hard work and look forward to hearing about your scarecrow adventures.

Thank you for your on-going support and cooperation,

Miss Ransley
Assistant Head of School
