

ST RICHARD'S
VC ACADEMY

Dear Parents and carers,

Every Autumn, we learn about the harvest and have a special liturgy to celebrate and give thanks for the wonders of the harvest. We will be holding this on Tuesday 12th October 2021. As well as celebrating and giving thanks for the food grown by farmers, it is an opportunity for us to give back to our community and share what we have with those who need a little extra help.

As in previous years, we are kindly asking for **donations of food for the local Food Bank**. Please send any donations into school in time for Tuesday 12th October.

This year, we are also asking for donations for an important local charity 'Hull Help for Refugees' who collect, sort and distribute collections (mainly clothing and housewares) to local families in need. Therefore, we are asking for **donations of clothing** that you no longer want or need (good and clean condition) for children, women and men. We will be taking donations up until half term. If you would like more information about the fantastic work the charity does, please see www.hullhelpforrefugees.org.uk

Many thanks for your continued support,

Mrs Frankish
