

ST RICHARD'S VC ACADEMY

Wednesday 8th September 2021

Dear parents and carers,

We are delighted to welcome everybody back after a well-deserved summer break and we would like to take this opportunity to introduce our revised school values.

St Richard's Core Values – Aspire, Learn, Serve and Grow in Christ.

These core values form the foundations of our new 'ST@R qualities'. These ST@R Qualities are: Curiosity, Responsibility, Compassion, Respect & Pride and Resilience.

We believe that they will support the children's academic learning journey through school as well as their social and emotional development.

Each week, we will focus on exploring and developing a particular 'ST@R Quality' within school, at an age appropriate level, through a range of activities. Engaging displays in each classroom will support the children to understand ways in which they can demonstrate our 'ST@R Qualities'.

During our weekly celebration assemblies, an award will be dedicated to a child from each class who has embodied the weekly 'ST@R Quality'. In the near future, we are hopeful that parents will be able to attend these celebrations too. Our 'ST@R Quality' of the week will be shared with you via texts, Twitter and Google Classroom and we would welcome any Tweets and messages to tell us how your children are demonstrating these values outside of school too!

Thank you for your continued support,
